

**For all questions call:
Mike Brown: 217-883-1204
Josh Hull: 217-248-0860**

**GENERAL DERBY RULES:
REMINDER: NO GRAY AREAS!
IF YOU DON'T SEE IT, DON'T DO IT!**

(1) Safety is our number one rule! If we aren't satisfied with any safety related issues, you will be given the option to fix the problem, or load it back up.

(2) Officials have the final say on all matters. To their discretion, officials can disqualify a car at any time. Anyone not complying with these rules, or not behaving like a rational adult will be escorted out from the event and possibly banned from all future Mike Brown Promotions events! (Our goal is to keep this as a family friendly event. Remember that kids and future drivers look up to all of you!)

(3) All drivers must be 18-years-old with valid driver's license. Drivers 16 and 17-year-olds must have parental consent & at least one parent or legal guardian present at sign-in.

(4) All cages are not only permitted, BUT ARE REQUIRED to protect you as much as possible. You will NOT be able to run if we are not satisfied with your safety precautions/cages. Halos aren't mandatory, BUT ARE STRONGLY recommended but can't exceed safety cage rules, and this includes working seatbelts/harnesses.

(5) Both front doors can be skinned with up to 3/16" from seam to seam, welded shut with up to a 3" strap.

(6) All occupants of the car must wear approved helmets, long pants & shirt.

(7) All cars must be swept clean; all glass, lights, trim, hazardous objects and spare tires must be removed. Stock gas tanks and batteries must be removed and relocated to the driver's compartment and secured and covered by a rubber mat. (With the exception of compacts. If your gas tank is in front of your rear axle, you may leave it under the car.) No more than two (2) automotive batteries may be used in a secure mount/box, and NO MILK CRATES.

(8) NO JEEPS, TRUCKS, HEARSEs, EL CAMINOS/ RANCHEROS, IMPERIALS (SUB FRAMES INCLUDED) ARE ALLOWED!

(9) All vehicles must have a car number clearly displayed on the front doors and roof.

(10) NO PAINTING OR COATING OF FRAMES IN ANY WAY, SHAPE OR FORM. WE WILL LOAD YOU FOR THIS!
